

PRIVACY NOTICE FOR TCR PROJECT
ACCORDING TO ART. 13 / 14 OF UE REGULATION 2016/679 (GDPR)

1. Data Controller and DPO

Data Controller is NEC Laboratories Europe GmbH, Kurfürsten-Anlage (NLE) 36, D-69115 Heidelberg e-mail: privacy@neclab.eu.

The Controller appointed a Data Protection officer that can be contacted at this e-mail address: dsb@neclab.eu

2. Information on data processing

Data are collected from public available sources (see below) and NLE is not able to identify (data are relatively anonymous to us) or contact any of the data subjects.

Categories of Personal Data and source	Purposes of processing	Legal basis of data processing	Data retention
TCR repertoire data (cdr3.alpha,cdr3.beta,mh c.a,antigen.epitope,label, negative.source,mhc.seq, mhc.source), Health data, immuno-oncology data.	With the use of a public available dataset will conduct a scientific research with Machine Learning on the prediction of how T cell receptors (TCRs) bind with peptide-MHC complexes presented on human cells.	1)Art. 6 (1) (f) GDPR Legitimate interest to perform a scientific research with pseudonymized retrospective public available data.	Raw (downloaded) data are deleted within 4 years depending on the needs of further research.
Public available data from these four databases: IEDB, VDJdb, McPAS-TCR, NetTCR-2.0.	Results do not enlarge the knowledge about any of the data subjects.	2)Art. 9 para. 2 lit. j. GDPR. Privilege for scientific research	Processed Data may be published following publisher's policy.

3. Processing procedures

The Controller through its own authorized personnel carries out data processing. Anonymization, data minimization and access limitations with reference to original data during data processing at NEC are in place, moreover technical and organizational measures are in place. For reproducibility of the experiment, researchers in accordance with publisher's policy may as well publish the processed data that are further minimized, pseudonymized and / or anonymized in respect to the public available raw (downloaded) data.

4. Data transfers outside the European Economic Area ("EEA")

If personal data are required to be transferred outside the European Economic Area ("EEA") the Controller will put in place appropriate safeguards to ensure that personal data are adequately protected at the recipient location by ensuring that the data are transferred to a country that provides a level of protection equivalent to that provided by the GDPR. No data transfer is envisaged, however it could be required by the publisher.

5. Data Subject Rights

Data subject may exercise his/her rights at any time, and in particular:

- confirmation of whether or not personal data concerning him/her are being processed and to obtain access to the data and the following information: purpose of processing; categories of personal data; recipients; storage period; existence of the right to rectification, cancellation and limitation; origin of data not collected from the data subject;
- the cancellation or rectification of inaccurate personal data concerning him/her and/or the integration of incomplete personal data if he/she so wishes, also by providing a supplementary declaration;
- the limitation of processing consisting in the blocking of data processing for the period necessary for the required verifications in the hypotheses foreseen by the regulations in force;
- the portability of the data provided to the Controller including the direct transmission of the data to another data controller, the Controller shall deliver the personal data available on electronic format for common use to allow migration to other media;
- opposition at any time to processing based on the legitimate interest of the Controller;
- revocation of consent, where the processing is based on such legal basis.

6. Exercise of data subject's rights and complaints

Data subject may exercise his/her rights at any time by contacting the Controller by sending an email to the Controller without any formality or payment of any additional cost: privacy@neclab.eu. Every request received by the Controller will be taken into consideration after verifying the identity of the person entitled and safeguarding the rights of third parties. Requests will be satisfied as soon as possible and in any case within thirty days, except in the case of objective difficulties which will be communicated in writing within this period. In case of dissatisfaction on the modalities of processing and complaints and for any clarification data subject may write to the Controller, without prejudice to his right to apply to the Authority responsible for the protection of personal data: Der Landesbeauftragte für den Datenschutz und die Informationsfreiheit Baden-Württemberg.
